The Coyote Club will follow Valley Academy's yearly calendar and will maintain the same breaks. The program is located in the Multi-Purpose Room on campus. Student drop off and pick up should take place through the east side doors of the MPR at the campus' main drop off/ pick up area.

### Transportation

Valley Academy does not provide transportation.

### Daily Sign In and Sign Out Policy

Only individuals listed on the enrollment forms will be allowed to pick up students from the Coyote Club. In the event your child needs to be picked up by someone not listed on your emergency card, you must phone the school and proper identification must be presented before release of the child.

Your child or a staff member will sign in your child daily.

1. When picking up your child at the end of the day, please sign them out using the computer and in the attendance log. Please note the exact time to the minute.
2. Signatures must be clear and legible with first initial and last name. Please have a copy of your driver's license with you for verification.
3. Please instruct anyone picking up for you that this process is extremely important and to have identification ready.
4. Students who are not properly signed out will be charged for a full evening of service.

### Homework is our main priority!

Your child will be asked to do homework and work on classroom assignments quietly from 3:30 until 4:15. If your child finishes work before then, he or she must quietly read. Please make sure your child always has a reading book.

There can be a separate area made available for working students. Students should come prepared with all supplies needed in order to complete their homework and/or school projects, including pencils, in their backpacks. Coyote Club staff are available to help students with their homework, without doing it for them. Students also learn how to help each other, without giving away the answers.

### **Coyote Club Wristbands**

Coyote Club staff will check your student's homework for completeness, and accuracy when time is permitting. When picking up your child from Coyote Club, look for the wristband. The wristbands are used to identify students who feel that they have confidently completed their homework. If your student does not have one, that should tell you that their work is not complete or that it has not been checked. Note: Students are not allowed in the game area without a wristband.

### **Coyote Club Game Area**

Coyote Club students are only allowed in the game area when their school work has been completed and checked. Coyote Club offers a variety of educational games. Students may play different types of games including board games, card games, and brain teasers. Students must check the games out and back in using a system much like in the library. Donations of new and gently-used games are gratefully accepted through the front office, at any time.

### **Food and Beverages**

Students are encouraged to bring food and beverages to the Coyote Club. However, they are not allowed to share their food with anyone else. Students must place food trash in the garbage bin with the lid. Coyote Club does not provide food. Students are asked to clean up after themselves.

### **Discipline Policy**

The Coyote Club staff members use a systematic, assertive discipline plan that is posted and reviewed with students. Consistency is important. The overall plan establishes firm and consistent limits for students with loving guidance. The program also establishes a positive educational environment for both student and staff. Every effort is made to develop positive reinforcements that can be applied to individual students as well as to the group. If a student's behavior continues to disrupt or interfere with the objectives of the Coyote Club, the student's enrollment may be terminated.

### **Emergency and Medication Policy**

*Parents must immediately inform the school office and the Coyote Club when there are changes in address, home phone, business phone, or emergency phone numbers.*

Medications will not be administered in the Coyote Club. In case of illness, a parent will be contacted for the child's retrieval within a reasonable time frame. When a parent cannot be reached, the secondary contact person from the enrollment information will be contacted. In case of fire, accident, evacuation, or other school emergency, Valley Academy will follow procedures appropriate for the circumstances and authorities will be called upon for assistance.

### Fire Drill and Evacuation

Every month a fire drill will be conducted during the school day, before care, and after care. The children will practice proper procedure for lining up, where to evacuate away from the building, the importance of following instructions, remaining quiet and calm, and to remain with the group.

### Use of Pesticide

Pursuant to *A.R.S. 15-152*, the use of pesticides on school property will be governed by the following procedure:

Students will receive at least forty-eight (48) hours' notice in advance of the general application of pesticides to the Valley Academy campus, which is in the form of posted signs. Signs will be at least 8.5 inches by 11 inches in size and posted at the main entrance doors of the administration building.
